It is mutually agreed by the undersigned that Group Contract No. GLD1447 (R7-02) OPT is hereby revised as follows:

### **Section 3 Effective Date**

#### **Individual Effective Dates**

Effective January 30, 2003, persons enrolling properly for Optional Group Life Insurance will have such insurance become effective as follows, subject to the conditions in the following paragraphs:

- (a) on January 1 of the year following the year of enrollment for any amount applied for by an eligible member during an Open Enrollment Period;
- (b) on the first day of the calendar month for which a premium is paid if application is made other than during an Open Enrollment Period and within 30 days after becoming eligible for such insurance.

#### **Conditions of Individual Effective Date**

If a properly enrolled person, due to sickness or injury, is not actively at work on the proposed effective date (or, on the business day next preceding a proposed effective date which falls on a weekday or holiday) of the Optional Group Life Insurance, it will not become effective until the first day following the date of that person's return to active work.

If, due to sickness or injury, an Insured is not actively at work on the date the Optional Group Life Insurance would otherwise change due to a request by the Insured, and

- (a) the change results in an increase in the Amount of Optional Group Life Insurance, such increase shall not take effect with respect to such Insured until the first day following the date of the Insured's return to active work, or
- (b) the change results in a decrease in the Amount of Optional Group Life Insurance, such decrease shall take effect on the date such change normally becomes effective.

#### **Open Enrollment Periods**

Effective January 30, 2003, periodic open enrollment periods will be from October 1 to October 31 every two years beginning in 2004 for State of Kansas covered employees and beginning in 2003 for employees of other affiliated agencies. Any amount applied for during an open enrollment period will become effective the following January 1, provided you are eligible as defined by the Contract and submit satisfactory evidence of good health for amounts in excess of \$15,000.
