

KP&F Pre-Retirement Seminars

Are you within five years of retirement?

Mark your calendar to attend one of the Kansas Police and Firemen's Retirement System (KP&F) pre-retirement seminars held across the state this spring. Each seminar will cover the steps you need to take before retiring. Attendees will receive a presentation handout to take home for reference. If you cannot attend a seminar, the Retirement System has a pre-retirement booklet with detailed information to help you prepare for retirement. Download a booklet at www.kpers.org or contact the Retirement System for a printed copy.

All seminars will begin at 6:30 p.m. Attendance is free and pre-registration is required.
