

# NEW Employer Web Portal Preview Session

## Join Us!

Make a point to preview the NEW Employer Web Portal from **March 22 to April 6**.

Watch for a KPERS system-generated email with a one-time password to get started. Then check out the site.

It's not quite perfect yet ... but you can look around and give it a try. Run it like normal – you can't break it. And nothing you do in the preview session will affect your real information. It's in "test mode."

Visit our [Preview Page](#) for resources (like webinars) and info to help you with the switch.
