

Employer Training & Education Tell Us About It

Liaison.
Pipeline.
Boots on the ground.
Delegate.
Go-between.
Intermediary.

You're all of these to KPERS, and we don't take it for granted.

That's why we keep looking for ways to make your KPERS training and education more meaningful and valuable to you.

But, as usual, we need your help.

Please answer a few questions to help us understand your KPERS employer education needs. We'll use this to inform our planning.
