

COVID-19 Update

KPERS Office Closing

Governor Kelly announced yesterday that all State offices will close for two weeks, beginning Monday, March 23. This includes KPERS. We anticipate that all offices will reopen April 6, in a limited fashion.

Even though we're closing, we'll still be carrying out KPERS' essential functions by:

- Paying benefits
- Processing applications
- Collecting contributions

We Understand You're Affected Too

- We'll continue monitoring email.
 - For general questions, email employers@kpers.org.
 - For OGLI & reporting questions, email kpersfs@kpers.org.
- So we can contact you, please email employers@kpers.org the contact info for 1-2 people at your employer who we can contact during this time.
 - Include person's name, phone number and email (indicate preferred contact method)
 - Add your employer name and ID in the subject line
