Your Trusted Savings Companion

Your KPERS pension and Social Security won't be enough for a sound retirement. Saving on your own is important. But you don't have to do it alone. You have a trusted companion in KPERS 457. We'll be with you every step of the way.

- You choose when and how much
- As little as \$12 a paycheck
- Simplified investment options
- Automatic contributions
- Choose traditional (pretax), Roth (post-tax) or both
- Costs less than the industry average

Getting started is easy!

Get the "Group Number" and "Plan Enrollment Code" for your employer from Human Resources. You can enroll online or call for an appointment with a **real** person, when and where it's convenient for you. That's what trusted companions do.

Get started saving today, even with a little bit. Because someday you might want to retire.

Your best interest in mind

KPERS oversees KPERS 457 and has your best interest in mind. Who better to help you with saving for retirement? We're in tune with how the two benefits work together. As part of KPERS, KPERS 457 is driven by the fiduciary standard. We are member-focused and not in business for profit. We are here for your benefit and to protect your long-term financial interests.
