The “NewDOB_Gender_Name_SSN Change Report” excel spreadsheet is an automated SSRS report to show changes to dates of birth, gender, name or social security numbers of any person or member in the KITS system. This report is used for our SOC 1 Type 2 audit compliance and also identifies who has modified the record to create the entry on the report.

DOB Change Report

The "Status is Complete and Actual End Year Quarter Does Not Equal Projected End Year Quarter" excel spreadsheet is an automated SSRS report. This report displays member information, their service purchase ID number and anticipated end date versus the actual end date. The members are selected based on having a projected end date and actual end date that do not match.

Status is Complete and Actual End Year Quarter Does Not Equal Projected End Year Quarter
